Meet the next generation of identity and privacy protection: Allstate Identity Protection. Your identity is made up of more than your Social Security number and credit score. That's why Allstate Identity Protection does more than monitor your credit reports. We help you look after your online activity, from financial transactions, to dark web monitoring, and to what you share on social media. And if fraud occurs, our \$1 million identity theft insurance policy[†] and remediation experts have you covered.
